Dear Mr. Saulmon:

I write in response to your September 14, 2017 request to the Department of Conservation and Recreation (DCR) seeking copies of "Film Production Permit applications received by DCR, 2007- present" as amended in your October 3, 2017 email to Troy Wall.

In response to your request, the Department conducted a search which identified records responsive to your request. The responsive records are attached. Fields indicating personal email address and phone numbers have been redacted under G. L. c. 4, §§ 7(26)(c). Please note the production includes only those records in the Department's possession as of the date of your request. At this time the costs associated with complying with your request have been waived; however, the Department reserves its rights to assess costs for future requests.

If you have any questions or require further assistance please contact Troy Wall, Director of Communications, Department of Conservation and Recreation at 617.626.1453.

Very truly yours,

Bridget Connelly
Assistant General Counsel
